Welcome to the 21st ALUMINIUM CHINA, Copper China 2026, Lightweight Asia 2026, Magnesium China 2026 and 2026 Shanghai International Metal Recycling Expo!

To ensure a smooth and productive experience, please go through the important details provided in this on-site guide, specifically curated for international visitors. We hope this guide helps you plan your visit more efficiently and enjoy a productive experience in Shanghai.

Hall Layout & Key Function Areas

 Hall
N1

PREMIUM HALL

 Hall
N2

ALUMINIUM EXTRUSION PRODUCTS & EQUIPMENT HALL

International Business Matching Area A **Booth No. N2-2K15**

2026 China International Aluminum Processing Forum
10:00 am – 4:30 pm, 9 July Conference Room N2-M42

 Hall
N3

ALUMINIUM EXTRUSION, FLAT-ROLLED PRODUCTS & EQUIPMENT HALL, METAL RECYCLING HALL

Non-Ferrous Metal Recycling and Regeneration Innovation Display Area

International Business Matching Area B **Booth No. N3-3F50**

 Hall
N4

ALUMINIUM FLAT-ROLLED PRODUCTS & EQUIPMENT HALL

 Hall
N5

– NONFERROUS METAL MATERIALS - ALUMINIUM, COPPER, MAGNESIUM
– METAL RECYCLING
– AUTOMOTIVE LIGHTWEIGHT HALL

Innovative Applications of Non-Ferrous Metal Materials and Advanced Equipment Exhibition Zone **Booth No. N5-5B10**

Opening Ceremony
10:00 am – 10:30 am, 8 July Conference Area 5G50

2026 International Forum on Nonferrous Metal Recycling and Sustainable Development
10:00 am – 4:00 pm, 9 July Conference Area 5G50

Special Conference for International Visitors

2026 International Forum on Non-Ferrous Metal Recycling and Sustainable Development

Date: 9 July

Time: 10:00 am - 4:00 pm

Venue: Conference Area 5G50, Hall N5

[Open Free to All International Visitors](#)

Language: English/Chinese

CN-EN Simultaneous Interpretation Available

> Development Trends in the Recycled Metals Industry and Outlook for China's 15th Five-Year Plan

10:00 am

10:20 am

**CMRA - China Nonferrous Metals Industry
Association Recycling Metal Branch**

> The Middle East Recycling Industry Landscape, Resource Flows and Opportunities for Industrial Cooperation

10:20 am

10:40 am

Mr. Mir Mujtaba, Founder & President, Bureau
of Middle East Recycling (BMR)

> Current Development Status, Policy Framework and Future Trends of India's Recycled Metals Industry

10:40 am

11:00 am

Mr. Mohan Agarwal, Director, Material Recycling
Association of India (MRAI)

> Current Development Status, Policy Framework and Future Trends of Vietnam's Recycled Metals Industry

11:20 am

Ms. Ngo Thi Lan Phuong, Board Member,
Vietnam Metal Recycling Forum (VMRF)

> Current Development Status, Policy Framework and Future Trends of Malaysia's Recycled Metals Industry

11:20 am

11:40 am

Dato Dr. Joe Saravanan, President, Malaysia
Recyclers Association (MRA)

> Evolving Demand for Recycled Non-Ferrous Metals from the Automotive and Electrical Industries in the Circular Economy Era

11:40 am

12:00 pm

Mr. Deepak Sanghi, Director, Indian Copper
Development Centre (ICDC)

> Panel Discussion: Global Perspectives on Recycled Non-Ferrous Metals: Regional Trends, Resource Flows, & Pathways for Collaboration

12:00 pm
|
12:30 pm

Moderator:
Mr. Suneel Mardia, CEO, MTLEXS

Mr. Abhimanyu Prakash,
Founder & CEO, AICircle

Mr. Mir Mujtaba,
Founder & President, BMR

Mr. Jayant Jain,
President, ANMA

Mr. Mohan Agarwal,
Director, MRAI

Mr. Shailesh R. Mehta,
President, BME

Dato Dr. Joe Saravanan,
President, MRA

> Navigating Geopolitical Turmoil While Staying the Course on Sustainability

2:00 pm
|
2:20 pm

Mr. Jonathan Grant, Secretary General,
International Aluminium Institute (IAI)

> Advancing Circularity and Low-Carbon Development Through Aluminum Value Chain Standards

2:20 pm
|
2:40 pm

|
4:00 pm

Dr. Michael Clinch, Managing Director,
Innoval Technology Limited

* The conference agenda is subject to change based on on-site arrangements.

Innovative Applications of Non-Ferrous Metal Materials & Advanced Equipment Exhibition Zone

Booth 5B10, Hall N5

New Products + *New Technologies* + *New Applications*

Featured Exhibitors

- Zhongpin Intelligent Machinery Co., Ltd.
- Guangdong G Clef Mechanical Technology Co., Ltd.
- Liaoning Zhongwang Machinery & Equipment Manufacturing Co., Ltd.
- Shenzhen Kairui Energy Saving Technology Co., Ltd.
- Linde (China) Investment Co., Ltd.
- Dalian Leader Industrial Equipment Co., Ltd.
- Jiangxi Jinpin Copper Technology Co., Ltd.

Alu Pop-Up Gift Shop

Booth 2K01, Hall N2
Entrance#3 East Exit of SNIEC

Discover a curated collection of exclusive souvenirs designed for industry professionals, including custom badges and fridge magnets, aluminium artwork, aluminum-profile-inspired scented candles, and eco-friendly "Go Green" tote bags. Combining industrial design with everyday functionality, these unique keepsakes are available exclusively at the exhibition.

- Robot-Made Coffee(N2-2K01)
- Aluminum-Profile Scented Candles
- Industry-Themed Badges
- Plant-Inspired Ornaments
- Aluminium Artwork
- Go Green Canvas Tote Bags

Lunch Voucher, International Visitor Gift Redemption,
Visitor Enquiry (N2-2K15)

* 100 pcs lunch vouchers & gifts each day, first-come, first-served, 8–10 July

Opening Time

Entrance #2 (Near Hall N1) >

8 July	9:00 am – 5:00 pm
9 July	9:00 am – 5:00 pm
10 July	9:00 am – 3:00 pm

Entrance #3 (Near Hall N5) >

8 July	8:30 am – 5:00 pm
9 July	8:30 am – 5:00 pm
10 July	8:30 am – 3:00 pm

Onsite Activities International Business Matchmaking

Venue: Booth 2K15, Hall N2 & Booth 3F50, Hall N3

8 July	1:00 pm – 3:00 pm	3:00 pm – 5:00 pm	
9 July	10:00 am – 12:00 pm	1:00 pm – 3:00 pm	3:00 pm – 5:00 pm

> For buyers who have applied for the on-site business matchmaking programme, please come to the assigned Business Matching Area at your scheduled time slot to meet selected exhibitors.

* Please bring your visitor badge and business card when attending the matchmaking session.

For any enquiries about this event, please contact:

Ms. Bianca Huang

bianca.huang@rxglobal.com

> If you did not submit a sourcing request in advance, you are still welcome to visit the Business Matching Area on-site. Our team will collect your sourcing needs and assist with exhibitor recommendations where possible.

Business Study Factory Tour Anhui Route

Make the most of your visit to China by going beyond the exhibition floor! This 3-day curated post-show factory tour offers international visitors the opportunity to step inside real production sites, meet local manufacturers and experience China's aluminium industry up close.

Date: 10–12 July

Duration: 3 Days, 2 Nights

Route: Chizhou - Guangde - Maanshan, Anhui, China

Itinerary Overview

Day 1

Morning: High-Speed Train Travel from Shanghai to Chizhou
Afternoon: Sightseeing at Jiuhua Mountain Scenic Area

Day 2

In-depth visits to **2 specialized factories** under
Chizhou Anan Aluminum Co., Ltd. **Booth No. 5C30**
Anhui Krant Aluminum Products Co., Ltd.

Day 3

In-depth visits to the factory under **Shunbo Alloy Anhui Co., Ltd.** **Booth No. 3E10** | Return to Shanghai

> For visitors registered for the factory tour, your train ticket and accommodation details have been sent to you via email. Please gather at the Arrival Exit at Chizhou Railway Station for pick-up.

Tour Highlights

Post-show Extension into Real Production Sites

Extend your **ALUMINIUM CHINA 2026** journey beyond the exhibition floor and into **representative production bases in Anhui**, gaining a closer look at **real manufacturing operations and application scenarios**.

Diverse Industry Exposure

This route covers **industrial aluminium, lightweight equipment, architectural and industrial profiles, and recycled aluminium alloy production**, offering participants a broader understanding of the aluminium value chain.

Business Networking Opportunities

Meet company representatives on site and explore their capabilities in product development, manufacturing, application markets, and supply chain collaboration.

Industry Meets Culture

In addition to factory visits, the program also includes **sightseeing at Jiuhua Mountain Scenic Area**, adding a cultural and scenic element to the industrial itinerary.
